

## **GPSi Asia take top honours at IMG Invitational 2007 - Tournament mixed with Johnnie Walker Classic and fun**

**IMG** Invitational

March 5, 2007 -- GPSi Asia, distributor in Asia for the Inforemer GPS management solution, participated in the 2007 IMG Invitational organized by IMG.

The event is traditionally scheduled around the Johnnie Walker Classic, a joint sanctioned event of the European and Asian Tours. This year it was held at the Blue Canyon Country Club in Phuket, Thailand.

Golf course owners in Asia along with some industry suppliers were invited. After a tough first day that included tours, snorkeling, canoeing and cocktails, invited guests and IMG hosts competed in a round of golf for the Mark H. McCormack Cup. Some of the unfortunate golf professionals that missed the cut at the Johnnie Walker Classic were game enough to join in the fun.

The tournament was played with 2-man teams and GPSi Asia's Larry Silzer and his partner came in first, followed by GPSi Asia's Kieran Magee and team-mate.

After the celebrations, the guests took it serious by watching in the final day of the Johnnie Walker Classic in the VIP booths provided by IMG where the thrilling flourish by eventual winner Anton Haig provided pure drama and a fitting end to the whole event.

Johnnie Walker Classic  
winner Anton Haig

Mark H. McCormack Cup  
winner Larry Silzer

Mark H. McCormack Cup  
runner-up Kieran Magee
